Ready to find your inner artist in the most vibrant creative hub ever? Well, this is your chance - nhow Brussels Bloom will offer you an entirely new experience! This hotel lives and breathes art in all its different states. A social and cultural hub for globetrotters, business travellers and Brussels locals. The hotel is conveniently located in the lively Botanique area of the city, just 15 minutes by train from Brussels Airport and 10 minutes by foot from Brussels North station, with public transport in front of the door, and a 15-minute walk from the historic city center.

305 vibrant rooms

The room design follows the creativity inspired concept of the hotel. The sleeping areas of the rooms have a sleek minimalistic design, reminiscent of a blank canvas, while the entrance to each room surprises with an explosion of colour. On the other hand, the bathrooms were designed in the image of a photography darkroom.
