01/ Introduction

Plein Publiek BXL is located at the beautiful Palais de la Dynastie on the Mont des Arts in Brussels, right above Brussel central station.

Since opening in March 2019, Plein Publiek BXL established a buzz-worthy reputation in Brussels event scene. A variety of events were hosted, from corporate events to nightlife, live concerts to vintage markets, salsa dance nights to fashion shows and much more!

We offer 4 unique event spaces:

- Our signature greenhouse which houses our contemporary bar and restaurant.
- The balcony, which overviews the greenhouse and the impressive architecture of the Palais de la Dynastie.
- The terrace where you can enjoy the sun with an amazing view on the Mont des Arts.
- A unique 360° room where we organize an exhibition about the Flemish Masters but can be fully customized.

Congé is the company that created Plein Publiek and is "engaging your location into a new destination" since 2015 with different kind of projects and venues.
